Ref: 170/001 Indoor Foldaway Soccer Goals pair.

Club Practice Soccer Goals

2 sizes available:

Full Size Club Practice Goals

Manufactured from 50 NB pipe welded end frames and detachable cross bars.
7.32m wide x 2.44 m high.
Excludes Nets.

Ref: 170/004 Freestanding Club Practice Soccer Goals

Junior Freestanding Goals

Manufactured from 40 NB pipe welded end frames and detachable cross bars.
3m wide x 2m high.
Excludes Nets.

Ref: 170/002 Freestanding Junior Soccer Goals

Senior Competition Soccer Goals

Regulation size 7.32m Wide x 2.44m High. Manufactured from 65 NB pipe welded end frames and detachable cross bars. Supplied in White powdercoat finish and includes net attachment hooks.

Excludes Nets.

Ref: 170/015 Senior Competition Soccer Goals

Intermediate Match Soccer Goals - ½ Size

These goals stand in ground sleeves concreted into the ground.

The goals are manufactured from 75 x 75 mm RHS steel supplied in a white powdercoat finish. The cross bar is 3.66 metres long and is bolted into place making out of season storage easier.

Nets are not included but net hooks are provided to secure a net in place and stanchions are supplied bolted to the rear of the posts, these serve to hold the net away from the goal mouth.

These goals can be readily painted by the club or school.

Ref: 170/012 Intermediate Match Soccer Goals - Powder Coated

Gymleader Match Soccer Goals

These soccer goals are regulation size manufactured from 75 x 75 square RHS and stand in ground sleeves which are concreted in the ground.

Net hooks are provided to secure the net in place and the stanchions which bolt to the back face of the goal hold the net away from the goal mouth.

The crossbar is bolted in to place which helps to keep the initial freight costs to a minimum but also helps with our off season storage.

Due to the length of the parts, powder coating is not very practical. Therefore, these are supplied in a precoated zinc finish allowing them to be used as they are or to be readily painted by the school if required. Powder coating is available at extra cost.

Soccer nets are not included.

060/036	Ground Sleeves for Match Goals - Set 4
060/037	Caps to suit 060/036 sleeves - Set 4 (used when goals not in use)

Soccer / Rugby Combo Goals

These goals feature a regulation size soccer goal with the addition of regulation width Rugby posts and cross bar above the soccer crossbar.

Powder coat white finish. Ground sockets included.
Two sizes are available.

170/016 Soccer / Rugby Combo Goals - 5.6m
170/017 Soccer / Rugby Combo Goals - 8.4m

Soccer Goal Spikes

A galvanised ground spike and sleeve which is ideal for creating your own size soccer goals.

Buy your own PVC pipe for your local hardware store to make your own sized goal mouth.

This is a great inexpensive option.

- 180/129 Premium Hockey Goal Nets - Pair
Replacement Nets to suit Gymleader Regulation Hockey Goals

Sportmat Team Dugout

The Sportmat Team Dugout is self standing and measures nominally 3 metres wide x 1.85 metres high x 1.25 metres deep and features fully welded end frames and quick release detachable crossbars, all galvanised.

The cover is manufactured from strong durable PVC fabric with clear viewing panels on each end and it is held in place on the frame with Velcro style fasteners. An optional player bench is available that attaches to the end frames of the dugout, ideal for reserves during the game.

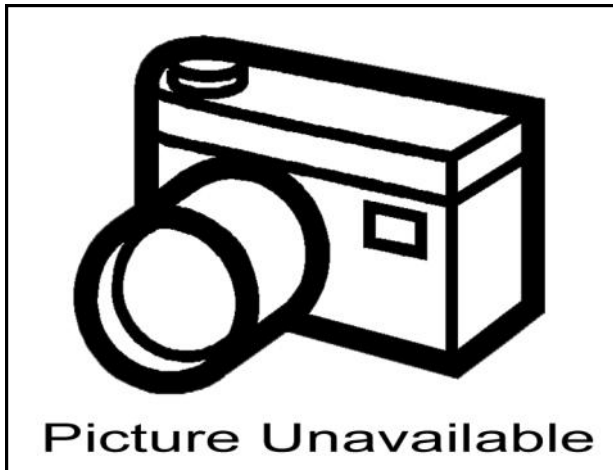

The quick and easy set up of the dugout along with its compact size for storage make it ideal for a team to take with them to away games.

The standard colour is blue although other colours including where possible team colours, are available to special order. Please enquire for more details.

Sportmat Rugby Gear

A well proven range of basic skills training aids for rugby along with goal post protection and team dugouts. After many years of making all types and designs of rugby gear, this range has been brought together to best meet the needs of our customers. At their request we have gone to the basics and offer two sizes of tackle bag and two styles of hit shield to assist with fundamental basic skills training.

The goal post pads are four sided for safety and protection and the dugout is quick and easy to setup and small enough to take to away fixtures.

Prime quality foam is used for consistency and durability with all covers being manufactured from heavy duty PVC, reinforced in the wear spots and with strong webbing handles sewn in giving high quality long lasting products.

The standard colour is blue. With other colours including where possible team colours available to special order.

150/020	Sportmat Junior Tackle Bag
150/030	Sportmat Square Hit shield
150/040	Sportmat Stepped Hit Shield
150/050	Sportmat Goal Post Pads
040/014	Sportmat Team dugouts

Sportmat Rugby Hit Shields

Standard Colour is blue

At the request of our customers, the Sportmat range of Rugby Gear takes the designs back to basics, to give well proven and well made basic skills training aids.

The Sportmat Hit Shield comes in two designs.

The 'Square' shield is ideal for training for upper body tackles and defence whilst the shape of the 'Stepped' shield gives the added advantage of helping to discourage high tackles.

Prime quality foam is used for consistency and durability with all covers being manufactured from Heavy Duty PVC, reinforced where necessary and featuring strong webbing handles.

The standard colour Blue with other colours including where possible team colours available to special order.

Sportmat Rugby Tackle Bags

At the request of our customers, the Sportmat range of Rugby Gear takes the designs back to basics, to give well proven and well made basic skills training aids.

The Sportmat Tackle Bag comes in two designs to suit junior and senior players.

Prime quality foam is used for consistency and durability with all covers being manufactured from Heavy Duty PVC, reinforced where necessary and featuring strong webbing handles.

The standard colour is blue with other colours including where possible team colours available to special order.

	150/020	Sportmat Junior Tackle Bag - Overall size 1400 mm x 350 dia

Sportmat Rugby Post Pads

Standard Colour is blue

The Sportmat Rugby Goal Post Pads are manufactured from prime quality foam which ensures consistency and durability. The design is 2 metres high and four sided which ensures that even if the pad rotates on the post, there is still 100 mm thick protection for the players.

All pads are covered in Heavy Duty PVC making them durable easy clean and long lasting.

Each pad is designed to suit posts up to 100 mm diameter and held in place around the post with strong Velcro type fasteners.

The standard colour is blue with other colours including where possible team colours available to special order.

Ref: 150/050 Sportmat Rugby Post Pads (set of 4)

Custom sized post pads are available to special order.

Club Grade Scrum Machine

The Gymleader scrum machine is our interpretation of the traditional pushing sledge design in use around the world. Like all Gymleader equipment, it is designed to suit our marketplace and to provide years of service at a realistic price.

The frame is fully welded for strength and durability then fully hot dipped galvanised for long term corrosion protection.

Exterior grade treated timber is used for the base boards adding to the units durability.

The shoulder pads are padded with high impact resilient foam and covered in heavy duty Ripstop PVC fabric. The pads are mounted on removable supports allowing them to be quickly removed for safe storage.

150/051 Club Grade Scrum Machine

Sportmat Team Dugout

The Sportmat Team Dugout is self standing and measures nominally 3 metres wide x 1.85 metres high x 1.25 metres deep and features fully welded end frames and quick release detachable crossbars, all galvanised.

The cover is manufactured from strong durable PVC fabric with clear viewing panels on each end and it is held in place on the frame with Velcro style fasteners. An optional player bench is available that attaches to the end frames of the dugout, ideal for reserves during the game.

The quick and easy set up of the dugout along with its compact size for storage make it ideal for a team to take with them to away games.

The standard colour is blue although other colours including where possible team colours, are available to special order. Please enquire for more details.

Gymleader Tip Away Seating

A small bleacher unit 3m long and 3 tiers high. Approx overall dimensions: 3m wide x 1.6m deep x 0.75m high

When not in use the seats can simply be tilted up onto the wheels on the back edge allowing the seats to be moved to storage if required.

The size of the unit allows them to fit through a normal doorway and side rails are not normally required.

Each unit features 3 steel support legs, and all steel framework is hot dip galvanised. The timber seats can be painted to school colours and the timber foot treads are painted black. All painted surfaces are painted using top quality outdoor paint, making them suitable for indoor and outdoor use. (Seat colour options available.)

Custom sizes can also be made to order.
